Tune: St. George's Windsor (Elvey) 7 7 7 7 D

Psalter Hymnal (1987) #527

God our Savior praise this day, for He makes for us a way.
Coming now before His throne, we are taken as His own.
In His grace, His Son was giv'n, unto those so lost in sin.
Christ has satisfied for us law's demands and judgment just.

Justified by faith alone in His blood shed to atone,
For the sins of those He saves, all for whom decree was made,
Now forever righteous we, Jesus Christ our only plea--
Praises to our God on high!--never more in sin to die.

Justified by grace alone, spurn all merit of our own,
God His Word will not amend, We are nevermore condemned.
Look to Him who ever lives, He who full salvation gives.
Christ our Father's love reveals. Christ is He who vict'ry seals.

Grace continues now, that we sanctified by Him might be.
Holy Spirit, once poured out, come to turn our hearts about.
Turned away from sin this day, may we ever faithful stay,
Longing for that trumpet blast. Jesus come again at last.
