

O Christians, Rejoice in the Lord Jesus Christ

Tune: St. Denio 11 11 11 11

Trinity Hymnal #95

Psalter Hymnal (1976) #296

Psalter Hymnal (1987) #144

O Christians rejoice in the Lord Jesus Christ.
Your worship is empty if Christ be not high.
No entrance, no standing have you in this place,
Except you claim Christ and rely on His grace.

We come to rejoice in Christ Jesus our Lord,
A joy most peculiar in hearing His Word.
We listen to hear once again what He's done.
We sing of the cross and our victory won.

Sing joyfully now to the Lord glorified.
By faith in His blood He has you justified.
His white robe of righteousness covers your shame,
As you, O believer, call full on His Name.

God surely has promised in His holy Word,
That all who will call on the Name of the Lord,
Will surely be heard and will surely be saved,
For they trust in Christ whom their ransom has paid.
